Description

This established body contouring and wellness clinic offers a unique opportunity to acquire a growing aesthetic business serving clients across Northern Colorado. Located in Loveland, Colorado, the business attracts clientele from Fort Collins, Windsor, Johnstown, Berthoud, Timnath, and surrounding communities, with additional growth potential throughout Greeley and the northern Denver suburbs. The clinic specializes in advanced non-invasive body sculpting, fat reduction, and wellness treatments that help clients achieve their desired results without surgery, lengthy recovery periods, or downtime. Average body sculpting packages range from \$3,000 to \$6,000 per client, while recurring monthly memberships generate approximately \$28,000 in annual revenue. Included in the sale is more than \$109,000 in specialized equipment, featuring Cryo Lean 360 machines, a medical-grade light therapy hood, cellulite massager, two massage beds, and various handheld treatment devices. The business operates from a leased studio with a private treatment and consultation room, providing a professional environment while maintaining low overhead expenses. The owner lives out of state and maintains a largely passive role, spending only a few hours each week on administrative oversight while management handles daily business activities. The seller has offered to stay with the business for 6 months post close and carry 30% of the purchase price as a show of good faith in the continued success of the business.

Priced at **\$175,000**, this is a very low multiple. Growth opportunities include prioritizing and promoting monthly memberships!
