Business Overview

This is a well-established landscaping company with over two decades of experience serving high-income residential and select commercial clients in Duluth, Johns Creek, Alpharetta, and surrounding areas. The company has built a trusted reputation for quality service, consistent performance, and strong client retention across some of North Atlanta's most desirable neighborhoods.

Its revenue model is anchored by long-term, recurring maintenance contracts (79% of total revenue), providing steady cash flow and operational stability. The company operates with a skilled team, a fleet of well-maintained vehicles, and an extensive portfolio of professional-grade equipment.

Acquisition Highlights

- ★ **Established Client Base:** Serving affluent homeowners with properties valued between \$500,000 and \$5 million, ensuring a stable and high-value customer base.
- ★ **High-End Fleet:** Includes 1 maintenance truck, 5 landscaping trucks, and specialized landscaping equipment like golf course-grade mowers.
- ★ **Long-Tenured Crew:** Led by one of the owners with over 15 years of service; most team members have 3 to 10+ years of tenure, reflecting a strong culture and high retention.

Products & Services

- **Weekly Maintenance:** Lawn mowing using golf course-grade mowers for premium finish and consistency.
- **Landscaping Services:** Full-scope offerings including Fertilization, pre-emergent weed control, flowers, and color. Mulch and pine straw installation.
- **Design and Installation:** with a separate company that has a licensed landscape architect.
